

*Copy and Paste the below template. Remember to enter your school's URL and write a personal note.*

I am super excited to announce an opportunity for our school to win up to \$15,000, from Class Act Federal Credit Union. Class Act has been serving JCPS since 1954 and has launched an exciting program called **Heroes of Education**. By the way, you are the Heroes! Class Act and I are very proud of you and see you as heroes.

There is \$100,000 in grant money available and we can win up to \$15,000 if we work together.

Here is what I need you to do.

Step 1: Visit our Heroes of Education website (*Enter URL \_\_\_\_\_*). We get points for visits!

Step 2: Click Vote and sign up with your email and text. Each action will earn us points!

Step 3: Consider opening an account at the Class Act Federal Credit Union. If you do it online, you will get a \$25 deposit to start your account and our school will earn at least 13,000 points.

Step 4: Consider using the credit union for your lending needs. Every Credit Union service you use will give our school points. An auto loan refinance can be worth up to 61,000 points!

Step 5: You can also refer friends and family to the Credit Union. Just make sure they mention our school name.

Step 6: Share our school page on social media and ask your network to help us win up to \$15,000. Just copy and paste the above URL into a post on any Social Media platform. You can also email it and text it to your contacts.

*(Write something personal. Share why you are doing this for the school. What do you need the money for? Why is this important to the school?)*
